On 02/08/2020 D/S Meadows and I were conducting stationary traffic enforcement at the intersection of Florida Ave and Van Arsdale St, which falls under the jurisdiction of the Seminole County Sheriff's Office. I saw two males on bicycles, riding next to each other, traveling southbound on Florida Ave, approaching my location. I saw that one of the males was wearing a bright yellow shirt and a white helmet traveling towards my location. On Florida Ave, at the intersection with Van Arsdale Street, there is a stop sign. The stop sign is clearly visible and unobstructed. The stop sign is an octagonal sign with red and white. I saw the males travel through the intersection, not stopping for the stop sign.

I was standing on Van Arsdale St, on the west side of the intersection, wearing my issued uniform. I was wearing a department issued jacket with my badge pinned to the front of the jacket visible, with both of my department patches visible. I was wearing my duty belt, and duty pants. I yelled for the males to "stop". The males continued through the intersection, traveling southbound of Florida Ave. I saw the males look back at me, (acknowledging my presence and my command,) and continue riding. I yelled to the males again to stop but they continued. I yelled to the males a third time stop, don't make me pull you over. The males looked at me, acknowledged my presence and command, smiled and continued.

I got into my department issued Ford Pickup Truck, which has jurisdictional markings, department insignias, and a light bar with blue lights visible to the naked eye. I began to try and stop the male on the bicycle by engaging my emergency lights and siren. The male continued southbound on Florida Ave. The males looked back at my vehicle with lights and sirens active and continued on. I drove parallel to the males on the bicycles. I gave a verbal command to the males to pull over. The males looked at me and the male wearing the yellow shirt looked at me and put his hand up. The males continued southbound. I drove my marked vehicle ahead of the males, and stopped in front of them in a safe manner with ample room for them to safely park their bicycles. The males had plenty of room since the intersection of Florida Ave and Van Arsdale St and there was enough of a shoulder for them to safely stop and not be in traffic. The males finally stopped their bicycles. At this point I decided to handcuff the male/defendant, Javier N Lopez Ayala, handcuffed the defendant as he was just fleeing from me, for the violation of FSS 316.1935 Fleeing and Eluding, and also for officer safety. The male was standing with the bicycle between his legs. I began to grab the defendant's arms and attempt to handcuff him. The male pulled his

arms away from me, attempting to defeat my efforts to handcuff him. I told the male to stop resisting. The male continued to try and pull away from me but I was able to control and defeat his efforts. I gave the defendant another command to stop resisting and stop pulling away from me. I finally was able to place the defendant into handcuffs. At this point I also arrested the male for violation of FSS 843.02 Resisting an Officer without Violence. I placed the defendant into my patrol vehicle.

A large crowd of bicyclists began to form while I was affecting the arrest. D/S Meadows responded to my location and acted as security as the large crowd began to show signs of hostility and unruliness. D/S Meadows and I gave the crowd law orders to leave as they were interfering with my investigation.  
 D/S Meadows and I provided business cards with the case number to a member of the crowd to provide to the father.

I transported the defendant to the JEPCF without incident. I made the staff in intake aware of the defendant's medication needs. I turned the defendant's bicycle over to his father.

Statements made by defendant prior to, during, and after arrest as related to each charge:
