

# Winter Beanie

Pattern by Mariana Tuma

## GLOSSARY

**K** Knit

**P** Purl

**k2tog** (decrease) knit two stitches together

**p2tog** (decrease) purl two stitches together

Cast on 42 stitches (we used the long tail method).

K1, P1 until your piece measures 11" tall (about 34 rows).

K2tg, p2tg to end of row (21 stitches).

P first stitch, K1 P1 to end of row.

Cut yarn, leaving an 18" tail. Thread a tapestry needle on the tail and pick up all the stitches left on your needle. Cinch to tighten closed. Use the remaining length of yarn on your needle to whip stitch the back seam of the hat. Weave in ends.

Turn up the brim and attach a pom pom, if desired.

We used a faux fur pom pom that came with a snap that is easily sewn to the top of the hat. Find at your local craft store or online.

### Crochet Skill Level

Beginner

### Yarn

Super Bulky 6

### Needles

9mm / US 13

### Gauge

10.5 stitches (using US 13 needles) = 4"
